STEP 2

Click on "Day Camps" in the red menu bar at the top.

The screenshot shows the top navigation bar of the YMCA of Northern Alberta website. The 'Day Camps' menu item is circled in green. Below the navigation bar, there is a search bar and a user profile section for 'MaryUsername'. The main content area includes a welcome message 'Welcome Mary!' and several navigation buttons: 'My Memberships and Services', 'My Programs and Bookings', 'My Schedule', and 'My Profile'. There are also sections for 'News and Information' and 'Notifications'.

STEP 3

From here, you can either search for a camp or view all of the camps by scrolling on the page.

The screenshot shows the 'YMCA Day Camp Registration' page. The 'Search for Day Camps' button is circled in green. Below it, there is a 'Day Camps' link and a 'Day Camp Search Results' link, which is also circled in green. The search results show 24 Day Camp Search Results. One result is highlighted: 'Aqua Explorers (6-9 years) 4-Day Week' for ages 6 years - 9 years. The description states: 'Aquatics-certified YMCA staff teach water safety and awareness, and help campers grow comfortable with their physical literacy skills in the water. Campers will explore the pool through water polo, daily swimming, snorkelling, and water games.' There is a 'Registration Information' link below the description.

If you choose to search, click on "Search for Day Camps". This will allow you to choose your location and age group to refine your search.
